

An undertaking on the part of  
concerning the creation of a  
Conservation Area for the native Irish  
Honey Bee *Apis mellifera mellifera*  
(*A.m.m.*).

The main aim of the Native Irish Honey Bee Society (NIHBS) is to promote the conservation, study improvement and reintroduction of *A.m.m.* throughout the island of Ireland.

We undertake to fully support the aims and objectives of NIHBS for the conservation of *A.m.m.* as set out in that organisation's constitution <https://nihbs.org/conservation/>

I hereby confirm that \_\_\_\_\_ is declared a Conservation area for the native Irish honey bee *A.m.m.* and that no non-native subspecies or strains of honey bee shall knowingly be permitted to inhabit the Conservation Area.

I confirm that we subscribe to the principle of not importing honey bees from outside the island of Ireland.
